Now, I've been accused of going Hollywood  
Chasing some cinematic schemes  
But I'll give you Panavision pictures  
If you give me Technicolor dreams

I never thought in terms of growing up  
Nothing is ever as it seems  
But I'll give you Panavision pictures  
'Cause you gave me Technicolor dreams

Up there, walking on air  
I'd like to show you how  
I loved you way back then  
As much as I need you now

Some people like to send the world away  
Some sunlight on some silver beams  
And I'll give you Panavision pictures  
'Cause you gave me Technicolor dreams

Oh wow, look at us now  
All of our dreams fulfill  
I would implore you still  
From under your windowsill

Sometimes, I'd like to send the world away  
Some sunlight on some silver beams  
So I'll give you Panavision pictures  
'Cause you gave me Technicolor dreams, Technicolor  
dreams

I'll give you Panavision pictures  
'Cause you gave me Technicolor dreams

Go far, follow your star  
I'll help you climb that hill  
I would adore you still  
From under your windowsill

Sometimes I'd like to send the world away  
Some sunlight under some silver beams  
So I'll give you Panavision pictures

'Cause you gave me Technicolor dreams, Technicolor  
dreams
