I don't know how, but nights get lonely now  
They keep appearing in my eyes  
Such a warm and tender glow  
For just one moment I remember all

The love we had was never all that bad  
There were smiles and there were tears  
On that special starry night  
With your arms around me, held on tight

Wasn't that the way it was?  
Two strangers reaching for a worthless cause  
Wasn't that the love we shared  
Or just the restless years when no one cared?

I don't know why it's hard to say goodbye  
Or even justify the end  
You meant so very much to me  
Then to let you go, start my life again

The love we had was never all that bad  
There were smiles and there were tears  
Till that special summer day  
When I reached out for you, you just walked away

Wasn't that the way it was?  
Two strangers reaching for a worthless cause  
Wasn't that the love we shared  
Or just the restless years when no one cared?
