The woman in you
Brings out the man in me
It's the woman in you and
The finer parts of your anatomy

But baby, sharper than a knife
Help me to know you
Show me the night to satisfy
A sinner with the flash of an eye
There'll never be enough to me

I never knew love
Could wind me up
I don't do my stuff
Til you go walking by
And maybe old enough to try

I never knew anyone in between
The devil and the angel
All in one and maybe
Old enough that I can ride

Your love, let it burn
Let it slide down to your soul
You can pull me in
You can push me out

But your baby needs love
Somebody to hold
Show me what to do

It's the woman in you
Bring out the man in me
It's the woman in you
And the finer parts
Of your anatomy

But baby, stronger
Than the wind burning
The fire out of the night
I'll teach you how to tremble
If you give me the right

There'll never be enough to me

I never knew I could find the best
But searching out the rest
There is no doubt and maybe
We can sweat it out

I never knew we could find
A way this crazy situation
Over me and we forget about
The world outside

My love in your eyes
There's no world
There is no time
You can hold me in
You can throw me down

But your baby needs love
Somebody to love
Show me what to do

The woman in you
Brings out the man in me
It's the woman in you
And the finer parts
Of your anatomy

But baby, stronger
Than the wind burning
The fire out of the night
I'll teach you how to tremble
If you give me the right
There'll never be enough to me

The woman in you
Bring out the man in me
It's the woman in you
And the finer parts
Of your anatomy

The woman in you
Bring out the man in me
It's the woman in you
And the finer parts
Of your anatomy...
