Love is higher than a mountain  
Love is thicker than water  
You are this dreamers only dream  
Heaven's angel , devil's daughter

Say, my mind , should I go with her on silent nights  
She'll drive me crazy in the end  
And I should leave this paradise  
But I can't leave her  
While I need her more then she needs you  
That's what I'm living for

Love is , higher than a mountain  
Love is , thicker than water  
You are this dreamers only dream  
Heaven's angel , devil's daughter

(break)

Say my thought, should I find out she don't care at all  
She'll leave me crying in the end

Wandering through the afterglow  
But I can't leave her  
While I need her more then she needs you  
That's what I'm praying for

Love is , higher than a mountain  
Love is , thicker than water  
You are this dreamers only dream  
Heaven's angel , devil's daughter

Love is , higher than a mountain  
Love is , thicker than water  
You are this dreamers only dream  
Heaven's angel , devil's daughter
