You're crossing the water  
eastern delights

now that you're gonna I feel like a stranger in New York  
tonight.

And the rhythm was new to me - Tokyo nights -

well  
she came in the night  
she came in the night -

well  
she came for the moment and stayed till the end.

Ooh wee ah  
take me to Tokyo  
ooh wee ah  
take me to Tokyo.

I was lonely in western days - Tokio nights -

well  
you took me away by saving my life.  
I was down in the rising sun - Tokio nights -

well  
I came for the moment and stayed till the end.

Ooh wee ah

take me to Tokyo  
ooh wee ah  
take me to Tokyo.

You're crossing the water  
eastern delights

now that you're gonna I feel like a stranger in New York  
tonight.

I'm calling you  
take me to Tokyo

Ooh wee ah  
take me to Tokyo  
ooh wee ah  
take me to Tokyo

ooh wee ah  
take me to Tokyo  
ooh wee ah  
take me to Tokyo

ooh wee ah  
take me to Tokyo  
ooh wee ah  
take me to Tokyo.
