Here I lie
In a lost and lonely part of town
Held in time
In a world of tears I slowly drown

Going home
I just can't make it all alone
I really should be holdin' you, holdin' you
Lovin' you, lovin' you

Tragedy
When the feeling's gone and you can't go on
It's tragedy
When the morning cries and you don't know why
It's hard to bear
With no one to love you you're going nowhere

Tragedy
When you lose control and you got no soul
It's tragedy
When the morning cries and you don't know why
It's hard to bear
With no one beside you, you're going nowhere

Night and day
There's a burnin' down inside of me
Oh, burnin' love
With a yearnin' that won't let me be

Down I go
And I just can't take it all alone
I really should be holdin' you, holdin' you
Lovin' you, lovin' you

Tragedy
When the feeling's gone and you can't go on
It's tragedy
When the morning cries and you don't know why
It's hard to bear
With no one to love you, you're going nowhere

Tragedy

When you lose control and you got no soul

It's tragedy

When the morning cries and you don't know why

It's hard to bear

With no one beside you, you're going nowhere

Tragedy

When the feeling's gone and you can't go on

It's tragedy

When the morning cries and you don't know why

It's hard to bear

With no one to love you, you're going nowhere

Tragedy

When you lose control and you got no soul

It's tragedy

When the morning cries and your heart goes by

It's hard to bear

With no one beside you, you're going nowhere

Tragedy

When the feeling's gone and you can't go on

It's tragedy

When the morning cries and you don't know why

It's hard to bear

With no one to love you, you're going nowhere

Tragedy

When you lose control and you got no soul

It's tragedy

When the morning cries and your heart goes by

It's hard to bear

With no one beside you, you're going nowhere

Tragedy

When the feeling's gone and you can't go on

It's tragedy

When the morning cries and you don't know why

It's hard to bear

With no one to love you, you're going nowhere
