There is someone walking behind you  
Turn around, look at me  
There is someone watching your footsteps  
Turn around, look at me

There is someone who really needs you  
Here's my heart in my hand  
Turn around  
(Turn around)  
Look at me  
(Look at me)  
Understand, understand

That there's someone who'll stand beside you  
Turn around, look at me  
And there's someone to love and guide you  
Turn around, look at me

Oh, I've waited, but I'll wait forever  
For you to come to me  
Look at someone  
(Look at someone)  
Who really loves you  
(Yeah, really loves you)  
Turn around, look at me
