There was a time when we were down and out  
There was a place when we were starting over  
We let the bough break  
We let the heartache in  
Who's sorry now  
Who's sorry now

There was a world when we were standing still  
And for a moment we were separated  
And then you found her  
You let the stranger in  
Who's sorry now  
Who's sorry now

What , what kind of fool  
Tears it apart  
Leaving me pain and sorrow  
Losing you now  
How can I win  
Where will I be tomorrow

There was a time when we were down and out  
There was a place when we were starting over  
We let the bough break  
We let the heartache in  
Who's sorry now  
Who's sorry now

What , what kind of fool  
Tears it apart

Leaving me pain and sorrow  
Losing you now  
How can I win  
Where will I be tomorrow

Was there a moment when I cut you down  
Played around  
What have I done  
I only apologize  
For being as they say , the last to know  
It has to show

When someone is in your eyes

What, what kind of fool  
Tears it apart  
Leaving me pain and sorrow  
Losing you now  
Wondering why  
Where will I be tomorrow

What, what kind of fool  
Tears it apart  
Leaving me pain and sorrow  
Losing you now  
How can I win  
Where will I be tomorrow (fade)
