Now, I found that the world is round  
And of course it rains everyday

Living tomorrow, where in the world will I be tomorrow?  
How far am I able to see?  
Or am I needed here?

Now, I have found that the world is round  
And of course it rains everyday

If I remember all of the things I have done  
I'd remember all of the times I've gone wrong  
Why do they keep me here?

Now, I have found that the world is round  
And of course it rains everyday

And now, I've found that the world is round  
And of course it rains everyday

And now, I've found that the world is round  
And of course it rains everyday

And now, I've found that the world is round
