I got a story to relate
I'm sure you sympathize
There's something quite peculiar
About my baby's eyes

Well, she can see through any wall
And through the clothes you wear
It doesn't matter where you go
So boy, you best beware

I wish I was invisible
Ooh, then I'd be untouchable
Oh, having fun with all the girls
Oh, gonna have to hide her in a movie show

Oh, she's got X-ray eyes, she's got
She's got X-ray eyes, she's got
She's got X-ray eyes, she's got
She's got X-ray eyes

She's kind of supernatural, a human laser beam
A magical phenomenon that penetrates my dreams
And when I'm sleeping late at night dreaming in my
bed
She comes to me with infrared eyes and sees inside
my head

I wish I was invisible
Oh, then I'd be untouchable
Oh, having fun with all the girls
Oh, don't let her sit beside you in a movie show, oh

She's got X-ray eyes, she's got
She's got X-ray eyes, she's got
She's got X-ray eyes, she's got
She's got X-ray eyes

I wish I had a time machine
Oh, try another century
Oh, now I am a prisoner, ooh
But if I try to run, she'd turn me into stone, ooh

She's got X-ray eyes, she's got
She's got X-ray eyes, she's got
She's got X-ray eyes, she's got
She's got X-ray eyes
