Giving you an ultimatum  
Try to figure out why you  
Act the way you do, avoiding me  
And trying to keep your distance

Saw your image in a photograph  
Couldn't cry so I had to laugh  
And the jealousy that I felt inside  
Gave way to pure frustration

And you don't fool me with your sexy innuendos  
And all the secrets you hide  
You find adventure when your sleeping  
In a brave new world

But you don't see me anymore  
(No, you don't)  
I stand alone  
(No, you don't)  
Your head is full of illusions  
Your heart is stone

But you don't say us anymore  
(No, you don't)  
And the light is gone  
(No, you don't)  
No you don't say us anymore, anymore  
(You don't say us, you don't say us)

Like the devil in the deep blue sea  
Gotta have you and must be free  
And all you do is torture me  
And question what I stand for

I'm a victim of circumstance  
Just like in modern romance  
And in my situation we go  
Straight to a hotel room

And we take our chances and when I met you  
You were standin' in the moonlight  
And your defences were down

I took advantage of a golden opportunity

But you don't see me anymore  
(No you don't)  
I stand alone  
(No you don't)  
Your head is full of illusions  
Your heart is stone  
(You don't say us, you don't say us)

Soon, when the night is young  
I'll be old and gone  
All because I'm down  
(You don't say us, you don't say us)

And you don't fool me with your sexy innuendos  
And all the secrets you hide  
You find adventure when your  
Sleeping in a brave new world

But you don't see me anymore  
(No you don't)  
I stand alone  
(No you don't)  
Your head is full of illusions  
Your heart is stone  
(You don't say us, you don't say us)

Come, hold me like before  
Do the things you need to do  
What I asked before  
(You don't say us, you don't say us)

But you don't see me anymore  
(No you don't)  
I stand alone  
(No you don't)  
Your head is full of illusions  
Your heart is stone  
(You don't say us, you don't say us)

Come, hold me like before  
Do the things you used to do  
What I asked before
