Now here she comes walkin'
Lookin' like a zoo
(Hello Moon, Hello Moon)
Hi Ella, hi Ella Guru
She know all the colors that nature do
Hi Ella, hi Ella Guru
Hi yellow, hi red, hi blue she blew
Hi Ella, hi Ella Guru
She do what she mean
'n she do what she do
Got sumptin' fo' me, sumptin' fo' you

She sho' sumptin'
She's young too
Ella Guru, Ella Guru
Ella Guru, Ella Guru
Ha ha right right
Just dig it
That's right, the mascara snake
Fast and bulbous
Tight also
Ella Guru, Ella Guru
Ella Guru, Ella Guru
Ella Guru
