Tyrannosaurus marches before us
Lions laugh at the smell of a gun
Ride on the back of an elephant's shoulders
Tell all your friends you're an angel
Animals dance along, animals

Tyrannosaurus marching towards us
Lions a mass coming out of the grass
Ride on the back of an elephant's shoulders
Tell all your friends your an angel
An angel, an angel

Leopards dancing, leopards dancing in my paradise
Animal armies, animal armies in my

Tyrannosaurus marching towards us
Lions a mass coming out of the grass
Ride on the back of an elephant's shoulders
Tell all your friends your an angel
An angel, an angel
