Baby, girl
Alright now
Ooh, Lord, Lord, Lord, Lord
Are you ready for this? Yeah

Whenever I got no money
She is still my honey
There is a reason to be funny
I, I, I said

I don't care what they say
But you can say, girl
Keep on sayin' your thing, yeah
And I don't care what they do
But you can do, girl

Keep on doin' your thing, yeah
And I don't care what they shake
But you can shake, girl
Keep makin' my head spin, yeah
And I don't care what you kiss
But you can kiss, yeah
You hear this brother sing that

People keep on tellin' me that you are here to stay
Brother keep on tellin' them that you will go away
'Cuz, wha, two wrongs can't make no right, naw
Ain't nothin' wrong with a voodoo fad

It's alright
If you feel it, boy
(Feel it, feel it)
You can feel this feelin' all around the world
It's okay if you feel it
Forget everything and everybody
Boy, let's just have a parting, me and you

You moan, baby, moan, you call me dark man
Instead of bringing joy you brought me great pain
And now I really know who teach the game, game
Must you bring, pain, must you stay, stay

Sometime, I thought you're love was so true, true
Carryin' on my shoulder you're tattoo
Now I really know what drugs will do, do
Forget you too, too, you won your crew, crew

People keep on tellin' me your love is here to stay
Brother keep on tellin' them that you will go away
'Cuz, wha, two wrongs ain't no right
Ain't nothin' wrong with a voodoo fad

It's alright
(It's alright now)
If you feel it, boy
You can feel this feelin' all around the world

It's okay
(It's okay)
If you feel it
Forget everything and everybody
Boy, let's just have a parting, me and yo

Whenever I got no money, no money
She is still my honey, my honey
Can't buy her any clothes or jewelry, yeah
She is still my honey, my honey

But yous never call or nothin', yeah
I must lose my money
Open your heart, girl, open you heart
And let me back in, yeah
And you be a queen and I forever your king, yeah
'Cuz, two wrongs ain't no right

It's alright
(It's alright)
If you feel it boy
(Alright now)
You can feel this feelin' all around the world

It's okay
(It's okay now)
If you feel it
Everything and everybody
Let's just have a parting, me and you
(Me and you, downhill for two, we go together)

Forget everything and everybody
Let's just have a parting, me and you
(Let's just have a parting, let's just have a parting)

Forget everything and everybody

Boy, let's just have a parting, me and you
(Let's have a parting me and you, my baby)
