Thug passion have a nigga on ten  
Fucking steady hatin' on me  
Let me live my shit nigga, flick my whip nigga  
Rock my jewels, Chi-town, fuck y'all haters  
Yeah get that money nigga

[Jagged Edge] Chorus:

My life  
Why you can't just let me live? (bounce that ass shorty)  
My life, I'll lie for my niggas, I'll die for my niggas  
Yeah my life, everybody wanna be a big shot  
My life, why you can't just let me live?  
My life, my, my, my, my

[Cap.One]

Cap to the one, young nigga, rap be the bomb  
Back to the guns, niggas through ice at their mouths  
Fuckin' with thugs, have y'all niggas lowded with slugs  
In the creep, body stankin nigga covered with bugs  
See I'm a true to life nigga, the screw your wife nigga  
A baller, indorsement, ecko and nikes nigga  
Shit, you right nigga, I'm cocky as hell  
So fuck you, I still be a million copies in sell  
Infact im 4 plat, still on the block with my hat broke  
back  
Like a nigga sold crack  
Step the game up, I had to take the gold back  
and I ain't hatin' nigga but your game is so wack  
I smack motherfuckers  
Jack motherfuckers  
Cock back ? and blast motherfuckers

(Chorus)

[Cap.One]

See I hate fake niggas, slash cake niggas  
Thugs for there girl but they really hate niggas  
Raw type I hit it with a 38 niggas  
From the chest, to the nose, to you face nigga  
I used to have big niggas, doe made us split up

Now I'm Cap dolo, rap solo, mac photos, big guns, and  
I act loco  
What the fuck you wanna do, you act broke hoe, for the  
doe  
Life's a bitch, reason why I don't trust these chicks  
Big body six, sittin on flicks, chain down to my dick  
Rock iceberg, like it aint shit, and close shop  
Everytime I spit, these niggas is bitch  
Talking loud like you niggas is shootin again  
You motherfuckers steady making me rich, can I live,  
yeah

(Chorus)

[Cap.One]

I 44 clap niggas, spit rap niggas  
Bitch slap niggas slash kidnapp niggas  
Stort motherfuckers for their jewels and their chain,  
shoes and their caine  
That's the rules to this game  
Cap-One nigga, I lock your spots  
and while y'all niggas dodge your shots  
I'm coppin yatches, toppin' charts (number one)  
Just let the doe stacked where the tro at  
Play my game fat, you will never get your hoe back  
C-One king of the city  
When I die burry me jiggy between makaveli and  
biggie  
All my life, I've been lustin' for doe  
and pray to god for the day that I blow  
It's all that a hustla knows  
Let's get this money baby

[Cap.One]

For my baller ass niggas

[Jagged Edge]

My, my, my, my, my, my...life

[Cap.One]

Let me live

(Chorus) 2X

(Fade)
