Before the Fall - Burden Of The Past

The past
You realize you're dead
Smiles upon your grave
A victim and a slave
Crawling beside yourself
Walking, no shadow
Did you hurt to heal?
Guess what; THIS PAIN IS REAL
YOU SUFFER
THIS PAIN IS REAL
Created people
Forced to feel the mark of death
To many living witness
Who lost their right to live
No flesh, no glory
Your greasy smile has disappeared
Did you die to feel
You'll see; THIS PAIN IS REAL
YOU SUFFER
THIS PAIN IS REAL
Did you hurt to heal
Did you die to feel
To see how's live in damnation
THIS PAIN IS REAL
Did you hurt to heal
Did you die to feel
To see how's live in damnation
Did you hurt to heal
Did you die to feel
A chapter closed and sealed
