The light is on
The door is always open
Three simple words
Breathless and Bleeding
The weak never make it

(Her vicious grip so strong)
They play her on standby
(The poison eats them whole)
Simple yet subtle
They fall over every line

She won't feel the same

Wait tomorrow
(Wait tomorrow)
Will I see you there
(Will I see you there)

Wait tomorrow
(Wait tomorrow)
Will I see you there
(Will I see you there)

We're staring at the sunrise
Under a symphony of lights
We walked a million miles
Her eyes are embracing
While I'm stuck erasing

(From her lips to the city sky)
She hurting at the top with a new guy
Involved in things she thinks
But we knew she only needed me

She won't feel the same

Wait tomorrow
(Wait tomorrow)
Will I see you there
(Will I see you there)

Wait tomorrow
(Wait tomorrow)
Will I see you there
(Will I see you there)

Wake up wake up turn up the lights
(I don't see a reason we could ever start again)
Wake up wake up turn up the lights.

Wake up wake up turn up the lights
(I don't see a reason we could ever love again)

Wake up wake up
Wake up wake up

Yaaaeeeyaaaahhhuuuuuhhh

Wait tomorrow
(Wait tomorrow)
Will I see you there
(Will I see you there)

Wait tomorrow
(Wait tomorrow)
Will I see you there
(Will I see you there)
