

Before The Solstice "Let It Die"

Visit "[Let It Die](#)" on MotoLyrics.com

Watch now
The old ways fade
Night turn DAY
As hope turns gray
Cry, scream
It's not a dream
As love turns mean
And GOD's obscene...
He's mean
Seen
Ween
Leads to using do not die this way!
In the new DAY
Everyone's gay
And the heart grows numb
A branch has
Been sprouted...
Grows to a tree!
Death comes
As a White Lamb
Darkness takes your
Life from your hand
Blinded
From excuses
Your using
Has made you useless...
And old
Mold
Sold...
To kiss ass to everthing we're TOLD...
But in the new DAY
Everyone's gay
And the heart grows numb
A branch has been sprouted
Grows to a TREE!
HATE YOUR GOD
CAUSE GOD HATES YOU!
HATE YOUR GOD
CAUSE GOD HATES YOU!
