"Finding A Way"

I have nothing to hide,
There is something inside.
Can't find the answers but I have to try.
It's something that I've gotta do,
I really have to make a move,
I know I'm gonna find a trip, find a trip to make it real.

I'm not waiting forever for this to get better.
For today I'm finding a way.
A way to keep reaching onward,
I've got to be stronger. For today
I'm finding a way [2x]

Every step that I take,
Every movement I make,
Nothing can stop me, no I will not break.

It's something that I've gotta do,
I've really have to make a move.
I know I'm gonna find a trip, find a trip to make it real.

I'm not waiting forever for this to get better.
For today I'm finding a way.
A way to keep reaching onward,
I've got to be stronger for today
I'm finding a way [2x]

It's something that I've gotta do,
I've really have to make a move.
I know I'm gonna find a trip to make it through,
Keep pushing onward.
I've gotta be stronger.

I'm not waiting forever for this to get better.
For today
I'm finding a way [2x]

A way to keep reaching onward.
I've got to be stronger,
For today I'm finding a way,
I'm finding a way
