(Feat. Notch)

Yeah...

Yeah, yeah, yeah...

Woooooh...

Mi-Mi-Mi-Mi flow...

Baby Ranks!

(Featuring...)

(N-n-n-n-n-Notch...)

Respect...

If, if, if, if, if...

If you ever change your mind

Only turn back the hands of time

Cross my heart and hope to die

I don't wanna see you cry

I don't wanna see you cry

Can't take this one side affair

I know for you it's much to bear

When you're drowning in despair

Just know I'll always be right there

Right there, right there, right there...

(Verme...) No, no, don't want no more

Maybe you're gonna regret it someday

You feel that you'd be better off

But it's still your loss

And you know it, take it

Take it as a loss

You'll regret, the very thing

When you just up and left

You can act you're better off

But it's still your loss

You'll regret it, regret, regret

No ser? f?cil olvidarte de m?

Yo te hice feliz, lo sabes, lady

Ya te lo adverti, te quiero a ti

No pienses que yo ir? por ti

Now you're calling, you're feeling lonely

Hoy sentir?s lo que yo sent?a por ti

Se que hay un dolor y un vac?o muy dentro de ti

Pero fue lo que decidiste, lady
Que quieres de m?, recuerda de que al fin
Arrepentida vuelves t? aqu?
Necesitas verme y regresas por m?
Se que te mueres por mi...
No puedes olvidarme...
Estoy en tu piel...
Lo sabes bien...
No quieres perder...
Ni un minuto sin m? ser...
Arrepentida estas, no finjas mas...
Verme no quieres mas, y tal vez...
Te arrepentir?s, yo se...
Ser?s tu quien perder?s...
Ser?s t?, t? lo sabes...
Verme no quieres mas, y tal vez...
Te arrepentir?s, yo se...
Ser?s tu quien perder?s...
Ser?s t?, t? lo sabes...

Everybody need to take time to reflect
Take time to put things in prespect
Soon as you realize
And start to regret

And get a better hope
And get a better hope
And get a better hope

Correct, correct...
Girl, you move me
Lose me, I love your body
Girl, I want your body
Hold her strong...
Girl, you move me
Lose me, I love your body
Girl, I want your body
In my arms...
The way you move me
You just lose me
Girl, you just...
Girl, you just...
Girl, you just lose me
Girl, you just lose me
