I can't
Seem to crawl away.
I'm lost and so ashamed,
Careless but so afraid.
My life is fading.
Every day's another test
Of fighting my addictions,
Placing myself in situations.
Will it ever go away?
Situations, whoa
Will it ever go away? whoa
Situations

I used to never dream, but now
I only have nightmares.
Will you save me from this darkness?
Keep me surrounded;

I hear you calling me,
I need to feel you,
To end my agony and wash it all away.
Let me feel you
Reaching for me.
I need to be,
I need to be surrounded by you.
Will it ever go away?
Situations. whoa
Will it ever go away?
Situations.

I used to never dream, but now
I only have nightmares.
Will you save me from this darkness?
Keep me surrounded.
