I'm standing in the shadows
I can't hide it anymore
The moon is full
And it's taking over me!

I just can't take it
I just can't take it anymore
This curse is haunting
Haunting me just like a ghost

I can feel it taking (whoa)
I can feel it taking over me
There's no stopping me
I'm addicted to what I've become
I can feel you shakin' (whoa)
I can feel you shaking on your knees
There's no stoppin' me
Your addicted to what I've become

My heart is racin'
I can't stop chasin' after you
Your heart stops beating
I can't resist the taste of you
Can you feel me breathing down the back of your neck
I can hear you screaming
Screaming for the beast in me

I can feel it taking, taking over me
There's no stoppin' me, I can feel it taking
I'm addicted to what I've become

I can feel it taking (whoa)
I can feel it taking over me
There's no stopping me
I'm addicted to what I've become
I can feel you shakin' (whoa)
I can feel you shaking on your knees
There's no stoppin' me
Your addicted to what I've become

I'm addicted!
I'm addicted!

I can feel it taking (whoa)
I can feel it taking over me
There's no stopping me
I'm addicted to what I've become
I can feel you shakin' (whoa)
I can feel you shaking on your knees
There's no stoppin' me
Your addicted to what I've become
