You are my joy  
I have no other  
IÃ¢â€Œ™ m into You  
So focused on you

What would happen if I lost my sight  
Would You lead me and take me to the light

Where we will laugh, never cry again  
Arms raised to You

You are my friend  
ThereÃ¢â€Œ™ s not many others  
ThereÃ¢â€Œ™ s no one like You  
So honest and true

What would happen if I forget You  
Would You remind me of all that weÃ¢â€Œ™ ve been  
through

Like a dream that never ends  
I see Your smile, I know IÃ¢â€Œ™ ll spend  
Forever with You
