YouÃ¢â€Œ™ve taken my heart and made it new  
YouÃ¢â€Œ™ve taken this emptiness and filled it with  
You  
Filled it with You

You fill the heavens, You fill the earth  
You fill my heart, You know my name  
All that youÃ¢â€Œ™ve done and all You are  
Nothing can contain

Heaven and earth will sing Your praise  
Heaven and earth proclaim  
Heaven and earth will sing Your praise  
Heaven and earth proclaim

Your glory, power  
Your holiness, Your holiness  
Holy is Your name

YouÃ¢â€Œ™ve taken my hand, now lead me through  
YouÃ¢â€Œ™ve taken this loneliness, now fill me with  
You  
Please fill me with You

Your righteousness, Your faithfulness, Your everlasting  
love  
Heaven and earth proclaim  
Your holiness, Your faithfulness, Your amazing love  
Heaven and earth proclaim
