You are bigger than me
Arms stretched out as far as I can see
You are stronger than me
And the weight of this world is in Your hands

It's in Your hands and close to Your heart
I'm in your hands and close to Your heart and
Your love
The way that You meant life to be
In Your hands

You are thinking of me
Arms stretched out ready to catch me
You are there for me
And the cares of this world are in Your hands

In Your hands
In Your hands
It's all in Your hands
