Day by day,  
I'm growing stronger from this thirst,  
I'm living longer  
Behind these eyes,  
Crimson thoughts,  
You won't survive it through the night

She walks away from me.  
She walks away from me.

Thirsting for blood I pierce your,  
Neck with my teeth as you begin to,  
Drive a stake through my chest and watch as I fade into  
the

As night falls it comes with one desire  
So here I am,  
I feel it deep inside  
It cries to me  
Like fire in your eyes and burns for you  
I grasp it with both hands  
I am so helpless to the call

She falls away from me this time.  
She falls away from me.

Thirsting for blood I pierce your,  
Neck with my teeth as you begin to,  
Drive a stake through my chest and watch as I fade into  
the

I cannot see my reflection  
I cannot bathe in your light  
I cannot breathe real life  
I cannot stay for you, you

Thirsting for,  
Thirsting for blood I pierce your,  
Neck with my teeth as you begin to,  
Drive a stake through my chest and watch as I fade into  
the

Tonight I will feast on your flesh
