I've been
Swimming in the water vapour
And I lend
My tears into the clouds
I know you're too busy collecting cotton balls
For a cotton boat

Are you ready to sink in the air?
And now I am

Watching you
Fallen to pieces
Painted a picture
In my thoughts
Watching you
Watching you, woah
Over and over
Over and over again

I'll send
To you an excuse letter
Through my
Envelope that testifies.
Someday you'll wake up with your own paper plane
Yes your own

Are you ready to sink in the air?
Are you ready to sink in the air?

Watching you
Fallen to pieces
Painted a picture
In my thoughts
Watching you
Watching you, woah
Over and over
Over and over again

Watching you
Fallen to pieces
Painted a picture
In my thoughts

Watching you
Watching you, woah
Over and over
Over and over again

Fallen to pieces
Fallen to pieces
Painted a picture
