Brother, I was weak when you were strong,  
You suffer of my own making.  
Would you accept my apologies in advance?  
I can't help myself to walk away

I chain you to this earth  
I watch the shovel turn  
I see you lowered down  
Under this hollowed ground

I'm powerless to change  
Your bitter fate  
Cowardice and pain  
But I won't turn away  
I led you to this path  
You tread alone

And I chose the eastern star,  
But it was a false dawn.  
The nightmare rained down hard,  
On those I had convinced I knew it all.

I'm powerless to change  
Your bitter fate  
Cowardice and pain  
But I won't turn away  
I led you to this path  
You tread alone
