[Music and Lyrics by Giulio Capone]

A grim, shows his dead face  
Dark shadows follow him everywhere  
"I know you, I know your path"  
He told me, and I had to run away

A dead light in his eyes  
Another piece of my restless time  
Now look at the darkening sky  
I hope you will heal my soul tonight

Another life...  
Another time...

Now lord take me to the rising moon  
Skull knight ride!  
Now lord show me my own destiny  
Skull knight ride!

Please find my will to fight  
Please take me out of this mad despair  
Who are you, what's your hell  
Can't you understand what I'm saying?

Nowhere to go  
Nowhere to hide
