Half the world is sleeping,  
Half the world's awake  
Half can hear their hearts beat  
Half just hear them break

I am but a traveler, in most every way  
Ask me what you want...to know

What a journey it has been  
And the end is not in sight  
But the stars are out tonight  
And they're bound to guide my way

When they're shining on my life  
I can see a better day  
I won't let the darkness in,  
What a journey it has been.

I have been to sorrow  
I have been to bliss  
Where i'll be tomorrow,  
I can only guess

Through the darkest desert  
Through the deepest snow,  
Forward always forward, i go..

What a journey it has been

And the end is not in sight  
But the stars are out tonight  
And they're bound to guide my way

When they're shining on my life  
I can see a better day  
I won't let the darkness in,  
What a journey it has been...

Forward, always forward...  
Onward, always up...  
Catching every drop of hope  
In my empty cup

What a journey it has been  
And the end is not in sight  
But the stars are out tonight  
And they're bound to guide my way

When they're shining on my life  
I can see a better day  
I won't let the darkness in,  
What a journey it has been...

What a journey it has been...
