Me and you {It don't get no betta}

But we can do it all {It don't get no betta}

Our love {It don't get no betta}

Cause you remind me of the first time

(Verse 2)

You know what you remind me of?  
The sun that shines above, I think I'm in love  
Cause everytime I look in your eyes  
They be dumb bright like the sunlight when I look in the  
sky  
And you always look fly, you stay wit' the mean outfit  
And got shoes they ain't even come out wit'  
Always got ya nails done, always got ya self fixed  
You're the type of chick I can see me goin out wit'  
And I ain't knockin' ya hustle  
But you should be somebody wifey, icy with a rock on  
your knuckle  
And we'll look hot as a couple  
Cause you shaped so beautifully and you almost cute  
as me

(Repeat Bridge)

(Repeat Chorus)

(Verse 3)

Mm mm mm, wit' ya sexy self  
Go to my hotel and undress yourself  
And after we have sex, don't stress yourself  
I'll still respect you, if you respect yourself  
Girl, it's whatever, I get the chedda  
When we get together, it don't get no betta  
And you can see I'm donnin' cause my arm on chill  
It look like I spilled freon on it  
I made hella paper on the block  
That's why I'm 'bout to put a 3-storee elevator in my  
yahct  
They gon' keep hatin' it boo  
But keep holdin' me down strong, this song's  
dedicated to you

(Repeat Bridge)

(Repeat Chorus)

(Mashonda & {Cassidy})

Baby I can't deny that I'm feeling you  
The way that you look and the things you do  
No it...{It don't get no betta}  
No it...{It don't get no betta}  
Baby it don't {Don't get no betta)  
No oh, it don't get no betta

(Repeat Bridge)

(Repeat Chorus)

Oh oh oh, we got another one, Full Surface!  
I go by the name Cassidy man, the Problem  
You dealin' wit' the best, me and Mashonda  
It don't get no better than this
