Within nineteen your at the bar,
Getting attention they know who you are,
Suddenly the situation as refers,
You think your going crazy, you think it's just a curse.
It's true I put a spell on you.

Bet you never thought you would ever be,
Falling so in love with a woman like me,
Tonight, baby
Mmm yeah

Bet you never thought you would ever find,
Everything you wanted for the rest of your life,
Tonight, baby

If you hold me close,
I can make you see,
All that you are when your dancing with me.

It's true,
There's nothing you can do,
It's in the way I move,
I put a spell on you, (I put a spell on you, baby)
Tonight just move within my eyes,
And you will realise,
I put a spell on you, (I put a spell on you, tonight)

Bet you never thought, never did expect,
To find the perfect girl,
Finally connect,
Tonight baby.

Bet you never thought I could mesmerize,
Move you in a way like your hypnotise,
Tonight.

If you hold me close,
I can make you see,
All that you are when your dancing with me.

It's true,

There's nothing you can do,
It's in the way I move,
I put a spell on you, (I put a spell on you, baby)
Tonight just move within my eyes,
And you will realise,
I put a spell on you, (I put a spell on you)
Put a spell on you.

Oh, it's true,
There's nothing you can do,
It's in the way I move,
I put a spell on you, (I put a spell on you, baby)
Tonight just move within my eyes,
And you will realise,
I put a spell on you, (I put a spell on you)
