Prayer for a fallen hero  
Angel with a broken wing  
Am I going down?

Elegy for my departure  
Requiem for my broken dreams  
I will survive

Black Swan - A new moon is on the rise  
Black Swan - I'm alive  
Beyond the speed of life  
Free will is on my side  
Black Swan - I ride - Back home

Sacrifice the willing victim  
Crucify the Lamb of God  
Am I going down?

Unexpected my reaction  
My revenge will soon unfold  
I will return

Black Swan - Wings of destiny open wide  
Black Swan - I'm alive  
Astray from Paradise  
Hell-bent on homicide  
Black Swan - I ride - Back home

Black Swan - A new moon is on the rise  
Black Swan - I'm alive  
Beyond the speed of life  
Free will is on my side  
Black Swan - I ride - Alone
