I know the reasons why you're not here with me  
But I told you I'd survive if you ever had to leave.  
But in the light of day, I tend to do okay.  
But when the night takes hold, I think of you.

And I go crazy from the heart.  
I reach out to touch you,  
But you're nowhere in the dark.  
My mind knows why we're apart.  
But I go crazy,  
Crazy from the heart.

In my mind there's no doubt we could not make it last.  
But I've learned to live without a love that's in the past.  
But in the night so still, her memories feel so real.  
They make my blood run cold. I reach for you.

And I go crazy from the heart.  
I reach out to touch you,  
But you're nowhere in the dark.  
My mind knows why we're apart.  
But I go crazy,  
Crazy from the heart.

When the moon takes hold.  
(When the moon takes hold.)  
The stars come out and I lose control.

And I go crazy from the heart.  
I reach out to touch you,  
But you're nowhere in the dark.  
My mind knows why we're apart.  
But I go crazy,  
Yes, I go crazy.  
I still go crazy,  
Crazy from the heart.
