I was driving out of town
After she had turned me down
'cos I didn't have a reason to stay
Ooh
Baby
My love was in vain.
Took a boat to paradise

Got away and closed my eyes

Felt the reggae rhythm deep in my heart.
Oog
Baby
I can't stand the pain.

There's always a place to stay
Hemingway hideaway
A tropical dream come true
A place made for me and you.
Just follow the sun
We will be one we'll lay in the sand
And our love will be true
Just follow me
Follow me
To Hemingway Hemingway

Hemingway hideaway.

I am hiding out of sight
Where the night is always bright
And the moon is melting out in the sea
Ooh
Baby
There's salt in my tears.
I got lost out on the beach

And the truth is out of reach

All the dreams are riding down on a wave.
Ooh
Baby

I wish you were here.

There's always a place to stay
Hemingway hideaway
A tropical dream come true
A place made for me and you.
Just follow the sun
We will be one we'll lay in the sand
And our love will be true
Just follow me
Follow me
To Hemingway Hemingway

Hemingway hideaway.
Hemingway hideaway.
