Hearts burning, like they were on fire,  
Flames changin our love to desire  
They, my heart is screamin to say:  
Girl, we got to go all the away.

I need more of you, changin my rain into sun  
More of you, put on my blues on the run  
I need more of you, darling, I need more of you  
More, anything less wouldn't do.

We, ain't been together too long  
Strange, how did our love get so strong  
There's nothing to keep us apart  
We got to catch up to our hearts

I need more of you, changin' my rain into sun  
More of you, puttin' my blues on the run  
I need more of you, darling, I need more of you  
More, anything less wouldn't do.

I need more of you, changin' my rain into sun  
More of you, put on my blues on the run  
I need more of you, darling, I need more of you  
More, anything less wouldn't do.
