I wanna be your God
I wanna be your Devil too
Save your soul and damn your life
To be forever mine

I wanna be your dog
I wanna be your Iggy too
You will beg me for my bite
Come and feed my lust for life

Tell me I'm the One and Only
You shall have no other Gods beside me
Tell me I'm the One and Only
Make my kingdom come and enter Babylon
I wanna be your God

The God I wanna be
Would not forgive you
like I did
Damn your soul and save your life
So you could still be mine

I wanna be your dog
I wanna be your Ziggy too
With a God given design
I'm your animal divine

Tell me I'm the One and Only
You shall have no other Gods beside me
Tell me I'm the One and Only
Make my kingdom come and enter Babylon
I wanna be your God

I wanna be your Devil too
Damn your soul and damn your life
You will be forever mine

Tell me I'm the One and Only
You shall have no other Gods beside me
Tell me I'm the One and Only
Make my kingdom come and enter Babylon
I wanna be your God
