Thinking about the past  
Put it all into view  
Things are so different  
It's all moving too fast  
All too fast

So take a look  
Way down below  
There's nothing different  
That I already know

Feel I've been used  
There's nothing you can do  
Feel I've been used  
Man, it's so cruel

Mixed emotions  
Playing with your mind  
Mixed emotions  
There's no surprise  
Mixed emotions  
Playing with your mind  
There's no devotion  
Playing with your mind

Strong power behavior  
Response with fear  
Move on over  
Get the hell out of here

Feel I've been used  
There's nothing you can do  
Feel I've been used  
Man, it's so cruel

Mixed emotions  
Playing with your mind  
Mixed emotions  
There's no surprise  
Mixed emotions  
Playing with your mind

There's no devotion  
Playing with your mind

[Solo]

Mixed emotions  
Playing with your mind  
Mixed emotions  
There's no surprise  
Mixed emotions  
Playing with your mind  
No more devotion  
Playing with your mind

Mixed emotions  
Playing with your mind  
No more devotion  
There's no surprise  
Playing with your mind
