I am thinkin' of my mother
As I'm raisin' the gun
And her face is ever-smiling
Did she raise me to this?

And the trigger is black and cold steel
And my finger
It burns
It's so easy to reach Heaven
It's a bullet away

I'll dream on forever
I'll dream on and I'll be ok
I'll dream on and shine again

I'll dream on forever
I'll dream on forever
I'll dream on and shine again

I am fallin in slo-motion
As Im droppin the gun
And my face so sadly smiling
As the moon hides the sun

And I hear my mother singin
As Im fallin asleep
It's so easy to reach Heaven
It's a vision within

I'll dream on forever
I'll dream on and I'll be ok
I'll dream on and shine again

I'll dream on forever
I'll dream on forever
I'll dream on and shine again
