Toxic oxygen
Opium for my brain
Poison fantasy
I do not feel ashamed
When I look at you
My libido takes control
When I look at you it's mystical
Mystical Elysian Love

High on estrogens
Venom for my veins
Long lost innocence
But nothing is in vain
When I am with you
my hormones take control
When I am with you we're magical
Magical Dionysian Gods

Overwhelmed by one obsession
On an Odyssey obscene
Overflowing fire oozin' free
Ecstasy everlasting
Excess' so exquisite
Experiencing the bliss extreme

Mystical Elysian Love

Drunk on luxury
Elixir divine
When it's just skin deep
Sin is not a crime
When I'm touching you
Venus takes control
When you're touching me it's mystical
Mystical Elysian Love

Overwhelmed by one obsession
On an Odyssey obscene
Overflowing fire oozin' free
Erotica everlasting
Excess so exquisite
Experiencing Eternity

Mystical Elysian Love

Overwhelmed by one obsession
On an Odyssey obscene
Overflowing fire oozin' free
Ecstasy everlasting
Excess' so exquisite
Experiencing Eternity

Mystical Elysian Love
