### "Perfection"

Ultimate situations  
Don't always turn out right  
For the lack of perfection  
That's alright  
That's alright  
That's alright by me

Achieve what you want  
Achieve what you can  
Don't let nothing stand in your way  
You're on your road to perfection

Faultless fulfillment  
I can't pretend  
I can't pretend  
That's alright  
That's alright  
That's alright by me

Achieve what you want  
Achieve what you can  
Don't let nothing stand in your way  
You're on your road to perfection

Achieve what you want  
Don't let nothing stand in your way  
Achieve what you can  
You're on your road to perfection  
On your way

Ultimate situations  
Don't always turn out right  
For the lack of perfection  
That's alright  
That's alright  
That's alright by me  
That's alright

[Solo]

Achieve what you want

Don't let nothing stand in your way  
Achieve what you can  
You're on your road to perfection  
On your way
