I need a Preacher Man  
Some spiritual advice  
I need a Promised Land  
Some Paradise  
I am losing faith  
Baby I need a miracle

I need an Exorcist  
A Medicine Man  
I believed - lived  
I fell under your spell  
In the Book of Love  
How do I read between the lies?  
I am losing faith  
Baby I need your love

Resurrect my soul  
We can be divine  
Resurrect my world  
Water into wine  
Swear that you're all mine

In my eschatology  
You're Jesus in disguise  
I am the Magdalene  
You crucify  
I am losing faith  
Baby I need a miracle

You preach the Gospel  
According to your whims  
I believed  
lived  
All your fantasies  
In the Book of Love  
Where am I meant to draw the line?  
I am on my knees  
On my knees for love

Resurrect my soul  
We can be divine  
Resurrect my world

Shivers down my spine  
Swear that you're all mine
