When I'm away from you, well,
I can't stay still
My thoughts won't move
From the way I feel
It happens time and time again
And the circle never ends.

When I'm away from you
Well, it hurts to say
My sense has gone
So far away
I'm up all through the night
And I can't tell wrong from right.

When I'm away from you
I see great big clouds
In the fog and rain
All the lonely crowds
They seem to be so blue
Every night I'm missing you.

When I'm away from you
Well, the sun don't shine
The mood don't come
The words don't rhyme
When I'm away from you I can't let go
And you know, oh you know.

It's all the things you do
That make life worthwhile
Like the way you talk
And the way you smile
It's all the things you do
Keep me hanging on
And you know, don't you know?

It's all the things you do
That make life worthwhile
Like the way you talk
And the way you smile
It's all the things you do

Keep me hanging on
And you know, don't you know?

When I'm away from you
Well, it hurts to say
My sense has gone
So far away
It happens time and time again
And the circle never ends.

When I'm away from you
Well, the sun don't shine
The mood don't come
The words don't rhyme
When I'm away from you I can't let go
And you know, oh you know.

It's all the things you do
That make life worthwhile
Like the way you talk
And way you smile
It's all the things you do
Keep me hanging on
And you know, don't you know.

When I'm away from you
Well, the sun don't shine
The mood don't come
The words don't rhyme
When I'm away from you I can't let go
And you know, oh you know...
