(You got me turning my in skin...)

[Verse #1]

I don't know why you got me turning in my skin,
But I can't find,
Find a way to let you go.
This stubble life is getting me so down,
If I fall back I'll drown,
Drown me out without a trace.

(Its what you do that turns me on)
I think of you when I'm alone,
(Its what you do that turns me on)
When I'm not with you I always feel alone.
(Its everything I want you too)

[Chorus]

Can't hold back this time when you are gone,
(But I don't want your love)
Can't turn back it's hard to turn and run.
(But I don't want your love)
Can't hold back this time when you are gone,
(But I don't want your love)
Can't turn back it's hard to turn and run.
(But I can't have your love)

(But I don't want your love)
When I'm not with you, When I'm not with you.
When I'm not with you, When I'm not with you.

[Verse #2]

This open water dragging me right down,
If I let go I'll drown,
Drown so deep I'll see your face.
(Its what you do that turns me on)
I think of you when I'm alone,
(Its what you do that turns me on)
When I'm not with you I always feel alone.
(Its everything I want you too)

[Chorus]

Can't hold back this time when you are gone,

(But I don't want your love)
Can't turn back it's hard to turn and run.
(But I don't want your love)
Can't hold back this time when you are gone,
(But I don't want your love)
Can't turn back it's hard to turn and run.
(But I can't have your love)

Can't hold back this time when you are gone,
(But I don't want your love)
Can't turn back it's hard to turn and run.
(But I can't have your love)

[Ending]
(But I don't want your love)
(But I can't have your love)

You got me turning my in skin,
(When I'm not with you)
But I don't want your love
(When I'm not with you)
(When I'm not with you)
But I can't have your love.
