Sunlight warming on my back
The music filtered through the trees
Then you played me one more track
We were moving with the breeze
Magic moments on my mind
Move together like sun and moon
Seemed like faith was (Seemed like faith was) being
kind
Funny how you changed your tune
(We were dreamers) We were dreamers for a while
(You were Bogart) You were Bogart, I Becal
(We were lovers) We were lovers for a day
Never again will it ever be that way
Passion wanders like the sun
Then you cool down in the rain
Your love never (Your love never) had begun
Mine was dieing left in pain
(We were dreamers) We were dreamers for a while
(You were Bogart) You were Bogart, I Becal
(We were lovers) We were lovers for a day
Never again will it ever be that way

Why you changed them?

I'll never know
One day sunshine
The next was snow
Why you left me on that day?
Never again will it ever be that way
(We were dreamers) We were dreamers for a while
(You were Bogart) You were Bogart, I Becal
(We were lovers) We were lovers for a day
Never again will it ever be that way
(We were dreamers) We were dreamers for a while
(You were Bogart) You were Bogart, I Becal
(We were lovers) We were lovers for a day
Never again will it ever be that way
(We were dreamers) We were dreamers for a while
(You were Bogart) You were Bogart, I Becal
(We were lovers) We were lovers for a day
Never again will it ever be that way
(We were dreamers) We were dreamers for a while

(You were Bogart) You were Bogart, I Becal
(We were lovers)
