Don't care, won't go nowhere  
I'll stay home  
And make a little mess

Two hearts colliding  
Well it's doomed  
You're gonna get yourself in a mess  
Hopes and expectations leave you  
Ever so confused  
Go your way and I'll go mine  
So we'll never ever have to cross

Once upon a time I'd say  
Rest your feet and weary head  
Close your eyes and make yourself warm in my bed

Once upon a time I'd say  
Rest your feet and weary head  
Close your eyes and make yourself warm in my bed

Well I won't listen  
I won't even take your call  
No I won't listen  
I won't even take your calls

Don't care, won't go nowhere  
I'll stay home  
And make a little mess

Two hearts colliding  
Well it's doomed  
You're gonna get yourself in a mess  
Hopes and expectations leave you  
Ever so confused  
Go your way and I'll go mine  
And we'll never ever have to cross

Once upon a time I'd say  
Rest your feet and weary head  
Close your eyes and make yourself warm in my bed

Once upon a time I'd say

Rest your feet and weary head  
Close your eyes and make yourself warm in my bed

Well I won't listen  
I won't even take your call  
No I won't listen  
I won't even take your calls

Warm in my bed  
Once upon a time I'd say  
Rest your feet and weary head  
Close your eyes and make yourself warm in my bed

Once upon a time I'd say  
Rest your feet and weary head  
Close your eyes and make yourself warm in my bed
