Joan was quizzical Studied Metaphysical  
Science in the home (That's Me! )  
Late nights all alone with a test tube  
Oh, oh, ho, ho

Maxwell Edison, majorin' in medicine,  
Calls her on the phone  
"Can I take you out to the pictures,  
Joa, oa, oa, oan?"

But as she's gettin' ready to go,  
A knock comes on the door.

Bang Bang! Maxwell's silver hammer  
Came down on her head.  
Bang Bang! Maxwell's silver hammer  
Made sure that she was dead

(Silver hammer, ah, ah, ah, ah, ah)

Back in school again, Maxwell plays a fool again,  
Teacher gets annoyed, Hmm!  
So as to avoid an unpleasant  
Sce, e, e, ene,

She tells Max to stay when the kids are gone away,  
So he waits behind  
Writing fifty times "I must not be  
So, o, o, o..."

But when she turns her back on the boy,  
A noise comes from behind.

Bang Bang! Maxwell's silver hammer  
Came down on her head.  
Bang Bang! Maxwell's silver hammer  
Made sure that she was dead

(Silver hammer, ah, ah, ah, ah, ah)

P.C. Thirty one said she caught a dirty one  
Maxwell stands alone

Painting testimonial pictures  
Oh, oh, ho, ho

Rose and Valerie, screamin' from the gallery  
Say he must go free  
(Maxwell must go free)  
Judge does not agree and he tells them  
So, o, o, o.

But as the words are leavin' his lips,  
A noise comes from behind

Bang Bang! Maxwell's silver hammer  
Came down on his head.  
Bang Bang! Maxwell's silver hammer  
Made sure that he was dead, wo, wo, wo

Bang Bang! Maxwell's silver hammer  
Came down on his head.  
Bang Bang! Maxwell's silver hammer  
Made sure that he was dead

(Silver hammer, ah, ah, ah, ah, ah)
