Listen to the falling rain
Listen to it fall,
And with every drop of rain
You know I love you more

Let it rain all night long,
Let my love for you grow strong,
As long as we're together
Who cares about the weather?

Listen to the falling rain,
Listen to it fall,
And with every drop of rain,
I can hear you call

Call my name right out loud,
I can here above the clouds
I'm here among the puddles,
You and I together huddle
Listen to the falling rain,
Listen to the rain

It's rainin', It's pourin'
The old man is snorin',
He went to bad and he bumped his head,
Couldn't get up in the mornin'

[Instrumental]

It's rainin', It's pourin'
The old man is snorin',
He went to bad and he bumped his head,
Couldn't get up in the mornin'

Listen to the falling rain,
Listen to it fall,
And with every drop of rain,
I can hear you call

Call my name right out loud,
I can here above the clouds
I'm here among the puddles,

You and I together huddle
Listen to the falling rain,
Listen to the rain

Listen to the falling rain,
Listen to the rain
Listen to the falling rain,
Listen to the rain
Listen to the falling rain,
Listen to the rain
