Slow down.  
Slow down.  
Arms too tired to take up.  
Baby takes up arms.  
Arms too tired to reach my face  
And break it.  
Baby tags along, along.  
Lips too wide to preach about it.  
Hips too wide to reach around it.  
Arms too tired to reach my face  
And break it.  
Baby tag along, along.  
Honey ride with me,  
Be my company.  
Honey ride and let some good thing  
Come and rip me through my jeans (honey ride with  
me),  
Rip me through my jeans (honey ride with me).  
Slow down.  
Slow down.  
Slow down.  
I'm allowed to take this shit and blow it.  
I'm allowed a quiet type, know it.  
I'm too tired to reach my face and break it.  
Honey tag along, along.  
Honey ride with me.  
Be my company.  
Honey ride and let some thing  
Come and rip me through my jeans (honey ride with  
me),  
Rip me through my jeans (honey ride with me).  
Honey ride with me.  
Honey ride with me.  
Honey ride with me.  
Be my company.  
Please baby, please baby, please.
