(I'm such a dreamer)
I mix the motherfucking thangs up
[Belly - Verse 1]
Like never before,
I take the shit to forget you,
I remember you more,
Fuck, I never be sure,
Do I need you as a friend or an enemy more
Um shoot, she settled the score,
She put me through hell,
With that heavenly aura,
And it hurts to say it'll never be more,
Even though you're not mine I'll forever be
yours
Promise forever to keep,
Tryna see my dream girl but I'm never asleep,
Left me with a seven day heart,
Emotions are weak,
She used to feel the same,
Till she woke up from me.

I mix the motherfucking thangs up
[Belly - Verse 2]
Look, my vision is getting blurry,
These women are in a hurry,
To see me gone and buried,
By the time that I hit thirty,
Now she changing up her will,
Plus she fuckin' my attorney,
Come and take a ride on a dirty bitch journey,
Come and Come and take a ride on a dirty bitch
journey,
Come and Come and take a ride on a dirty bitch
journey,
And even though she's already a solid 10
She should be in college but she's thinking
collagen,
And all her baller friends say you gotta win,
She ain't old enough for the club but they got her
in,
She got the trail stars, trust burns,
So i'm like, fuck her, love hurts,

And I never gave a fuck first,
Forget everything you heard about me,
What you didn't hear is much worse.

[Talking]
And um, and um,
I won't feed you less you fuck first,
I swear this type of shit must hurt.
